 Description

Boys & Girls Clubs of Hartford
 170 Sigourney Street, Hartford, CT 06105
 \$1,000,000

This project will establish a new Boys and Girls Club presence in a particularly distressed area of Hartford. The partnership of this nationally acclaimed organization with local the SAND Community Center is a centerpiece of efforts to decrease neighborhood violence and ensure an adequate education experience for Hartford youths. Specifically, funding will be used to:

- Allow for renovation of a BGCH facility within the SAND Community Center
- Supply the means, supplies and overhead to renovate existing space to serve youth in Hartford's Clay Arsenal area
- Provide an expansion of BGCH prevention and educational services during the critical after-school hours
- Create a BGCH program that will compliment SAND Elementary School's anticipated new school design, America's Choice

Capital City Economic Development Authority
 100 Columbus Boulevard, Suite 500, Hartford, CT 06103
 \$3,000,000

These funds will help complete the redevelopment and revitalization efforts in the Adriaen's Landing District of Hartford, a key part of economic growth for the city. By widening the streets and making access to commercial areas easier, the plan will increase traffic and boost the local economy. Specifically, funding will be used to widen Constitution Way and Front Street and to complete the crosswalks and sidewalks associated with such widening. Further, funds would allow for continued work on the "grand staircase" located near the new garage to allow for direct pedestrian access to the raised plaza adjacent to the Travelers and Phoenix office complexes, as well as Constitution Plaza and the City's core district.

The Children's Museum, Inc.
 950 Trout Brook Drive, West Hartford, CT 06107
 \$100,000

The Museum has grand designs for a new site that will give children and exciting cultural and educational experience. That site will include exhibition space, a planetarium, live animals, and an earth-friendly design to augment its curriculum for visiting students. The museum also plans to expand its preschool offering to better suit the needs of families. Funding authorized through this request would ensure the Children's Museum can complete the planning process.

Connecticut Landmarks
 255 Main Street, Hartford, CT 06103
 \$500,000

CTL is spearheading a landmark project to preserve one of only four 18th-century buildings left in Hartford. With its

renovation of the 1788 Bull House, CTL will deepen its ties and educational commitment to Hartford.

Town of East Hartford
740 Main Street, East Hartford, CT 06108
\$400,000

East Hartford will develop new infrastructure and amenities to convert underutilized warehouse facilities into marketable business opportunities. That expansion of business in the area is important for growing the regional economy and creating jobs.

Goodwin College - King Court Renovation
1 Riverside Drive, East Hartford, CT 06118
\$3,320,000

Renovations to one of the area's housing units will give students who are the most financially needy but educationally ready the opportunity to continue their studies. This unique and replicable partnership between Goodwin College and the East Hartford Housing Authority will incorporate Head Start, daycare, employment, and additional educational services made available to the most financially needy but educationally ready students.

Hartford Housing Authority - Redevelopment of Nelton Court
180 Overlook Terrace, Hartford, CT 06106
\$600,000

In these tough economic times many in our community are finding themselves without a place to live. This funding will be used to help our communities cope with this serious problem by attracting new tenants into now vacant apartment. This means upgrading existing housing and revitalizing a neglected rental property base.

Hartford Housing Authority - Redevelopment of Westbrook Village
180 Overlook Terrace, Hartford, CT 06106
\$400,000

This project provides an opportunity for the Hartford Housing Authority to rethink public housing in Westbrook Village and Bowles Park. The new plans would include room for retail, commercial and recreational establishments, creating a community and boosting the local economy.

Hartford Stage Company, Inc.
50 Church Street, Hartford, CT 06103
\$1,500,000

The Hartford Stage Company has been inviting local residents to their performances for over thirty years, and while the quality of the shows has only improved, the spoils of time have had a negative effect on their theater. Planned improvements to the facility will make it more accessible to the handicapped along with providing more comfortable seating areas, an upgrade fire prevention system and a welcoming exterior that the community can be proud of.

Klingberg Family Centers
120 Holcomb Street, Hartford, CT 06112
\$624,000

Klingberg's goal of providing counseling, stability, and a new chance for abused and emotionally needy children and their families is limited only by its lack of space. A new multi-purpose center in Hartford will give Klingberg the physical capacity to care for central Connecticut's most vulnerable families. Community outreach programs, preventing the problems that it deals with, will be a primary focus of the new center as well.

MARC, Inc. of Manchester
352 R West Middle Turnpike, Manchester, CT 06040

\$400,000

This project will help MARC, Inc. serve the needs of local residents with disabilities. Without a larger facility, the organization will not be able to meet the needs of the local community. They plan to construct a new, 25,600 square foot facility that fills the vocational, retirement and residential needs of those they serve.

Mercy House and Shelter Corporation
211 Westerfield Avenue, Hartford, CT 06114
\$750,000

This project will restore the 200 year-old landmark St. Elizabeth House, an historical part of downtown Hartford. Massive renovations are needed to bring the masonry building up to code and make it usable. Funding would be utilized to: replace plumbing and electrical systems; upgrade fire and ventilation systems; and improve handicap access throughout.

City of Torrington
140 Main Street, Torrington, CT 06790
\$750,000

This project will fund the construction of new roadways and intersections in the town of Torrington, putting local citizens back to work and revitalizing the downtown area to improve the economy.
